

## **Texas-based Volkswagen Dealership Expands Online Presence with Social Media**

### *Lewisville Volkswagen Expands Its Reach Through Facebook, Twitter and YouTube*

Lewisville, TX (Vocus/PRWEB) January 03, 2011 -- Lewisville Volkswagen, North Texas' most respected and trusted Volkswagen dealership is announcing the expansion of its online presence through Facebook, Twitter, YouTube, a new blog, and an artist agreement for an online video campaign.

Named a top-ten Volkswagen dealership in North America, Lewisville Volkswagen has been serving the North Texas area since 2001.

“Being at the forefront of customer service in North Texas,” said Alan Brown, General Sales Manager, “social media makes the best sense in keeping us on the cutting edge of customer service, dialogue, and engagement.”

In keeping with Lewisville Volkswagen's theme of “Peace. Love. Happiness. Lewisville Volkswagen,” the dealership has also inked an exclusive endorsement agreement with Capitol Records recording artist Walker Hayes. “Walker is a terrific up and coming singer and songwriter talent that personifies the Lewisville Volkswagen spirit. His music strikes a chord with both VW and music enthusiasts alike, bringing a fun and engaging example of the new nostalgia we are proud to be a part of.” Brown said.

Lewisville Volkswagen is committed to increasing the communication among the auto buying public, and that includes dedicated social media efforts.
