

S&L Motors Announces Chrysler Group Has 37 Percent December Sales Increase

Chrysler Group LLC has recently reported that their 2011 U.S. sales have increased by 37 percent for December and 26 percent for the year.

Green Bay, Wisconsin ([PRWEB](#)) January 06, 2012 -- S&L Motors, a [Chrysler dealer in Green Bay](#), would like to announce that Chrysler Group LLC recently announced a 37 percent sales increase over last December's figures with a total of 138,019 vehicles sold in the U.S. for the month. It is the best sales month Chrysler Group has had as a whole since May 2008.

To round out the year, Chrysler Group has sold right around 1.37 million vehicles, posting a 26 percent yearly increase over 2010, which is also the largest percentage sales gain of any of the other full-line manufacturer. December also brought on the 21st-consecutive month of sales increases of over 20 percent, over the year prior.

Reid Bigland, President & CEO for the Dodge Brand and also Head of U.S. Sales, stated that, "Chrysler Group finished a year of growth on a strong note with our December retail sales soaring 45 percent to our highest dealer retail sales in four years. Looking back, we were the fastest-growing automaker in the country, increasing our market share 1.3 percentage points during 2011."

S&L Motors is a Chrysler dealer in Green Bay, Wisconsin which offers all Chrysler Group makes and [used vehicles in Green Bay](#). Their dealership also features a service center at their location.
