([PRWEB](#)) January 04, 2013 -- Today, TruckGamesParking.com, a leading website of [free truck games](#), proudly announces its new game collection - Truck Games 2013 collection. According to Marc Lee, CEO of TruckGamesParking.com, all these games are free, and there are no sign-up fees or memberships to join. Users can enjoy each game as often as they like.

The collection covers most of the popular [truck games](#) online. No matter short sprinting games or beautifully designed 3-D works, users can find them easily at the section of Truck Games. According to Marc Lee, CEO of the company, only few websites can provide such a wide range of free truck games online.

Marc Lee said, “On our website, you will get the instant excitement with these extreme athletic stunts and amazing challenge with these active video games. You can not only jump behind the wheel of some of the biggest and meanest super hero trucks to ever hit the dirt, but also drive off roading rescue vehicles, garbage trucks, a monster truck, massive 18 wheeler beasts, and many more trucks.”

In addition, on the website of TruckGamesParking.com, there are hundreds of free [motorbike games](#) available for all users, and new games would be added every day.
