

New Site Launched for the Motorcycle Circuit Racing Control Board (of Great Britain)

MSO.net are pleased to announce the launch of a website for the Motorcycle Circuit Racing Control Board (of Great Britain). The site details all the events and championships organised by the MCRCB including the British Superbike Championship and the FIM World Championship.

([PRWEB](#)) December 31, 2003 --A new site has been launched for MCRCB Events, the events management and commercial operation of the Motorcycle Circuit Racing Control Board (of Great Britain). The site details all the events and championships organised by the MCRCB including the British Superbike Championship and the FIM World Championship amongst others and is aimed at competitors, teams, officials, the media and spectators alike.

Included on the site is an Events Page, which lists information and documents relevant to particular events. Visitors can download their chosen information in the following formats: MS Word Documents, MS Excel Spreadsheets or Adobe Acrobat PDF Format.

For more information,
