

## **New US Route 89 Road Trip Map Book Is The Complete Guide for a Driving Vacation in the West**

*From border to border [US Route 89](#) is the most scenic highway in the western United States. The Road Trip Map Book just released by the US Route 89 Appreciation Society provides detailed maps, descriptions of the road and lists of the National Parks and other special attractions to visit along the way.*

Oracle, AZ (Vocus) January 6, 2010 -- From border to border US Route 89 is the most scenic highway in the western United States. The [Road Trip Map Book](#) just released by the US Route 89 Appreciation Society provides detailed maps, descriptions of the road and lists of the National Parks and other special attractions to visit along the way.

Travelers to the western United States will find the new US Route 89 Road Trip Map Book an indispensable guide to getting the most out of their driving vacation. The book contains nineteen maps that detail the 1,800 miles of highway 89 between Canada and Mexico. Each map is accompanied by a description of the road and driving directions. The guide also highlights special attractions such as National Parks and Monuments, historic sites and other outstanding places to stop along the way.

Also featured in the Road Trip Map Book are introductory essays by geologist Wayne Ranney. US Route 89 passes through the four geographic provinces of the interior West—Basin and Range, Colorado Plateau, Rocky Mountains and Great Plains. Ranney's introductions give the reader a better understanding of the fascinating geography and geology through which they will drive.

The US Route 89 Road Trip Map Book is available in two formats. It can be purchased as a downloadable Adobe Acrobat (pdf) e-book for \$5. The printed version is a 32-page soft-cover book priced at \$12.50. Both can be ordered on the US Route 89 Appreciation Society website.

A review copy of the Road Trip Map Book will be furnished to qualified travel writers and bloggers on request.

The US Route 89 Appreciation Society is a resource for planning a western road trip vacation and a place for sharing stories and photographs of this unique highway. It is part of the "slow road" movement that encourages travel on the two-lane roads that lead to the heart and soul of America. For more information, visit <http://us89society.org/>.
