

Torco Race Fuels Successfully Launches New Octane Booster Product at the Performance Racing Industry Trade Show in Orlando, Florida

Torco's new 8 oz bottle of Torco UL Accelerator was a big hit at the Performance Racing Industry Trade Show in Orlando, Florida. This handy, portable bottle was designed specifically for saddlebags and backpacks when riding motorcycles, dirt bikes, quads, and snowmobiles, etc. The retail price of \$8.87 for one bottle or \$48.49 for a case of six ensures that it will be another big winner for Torco Race Fuels

Scottsdale, AZ ([PRWEB](#)) January 5, 2011 -- The Performance Racing Industry Trade Show in Orlando Florida was a great setting for Torco Race Fuels to launch it's new 8 oz. bottle of the highly popular Torco UL Accelerator.

Riders of motorcycles, dirt bikes, quads and snowmobiles had requested that Torco package its UL Accelerator in an 8 oz bottle that can easily fit inside a saddlebag or backpack. Portability is important and Torco Race Fuels has responded to the requests of its many customers. Torco UL Accelerator is not just another fuel additive. It is race fuel concentrate! Accelerator also comes in 32 oz cans, cases of 6, and 5 gallon pails.

Torco Race Fuels owner Dana "Pappy" Feather, a strong proponent of the new packaging, says "The highly competitive retail price of \$8.87 for the 8 oz bottle or \$ 48.49 for a case of six bottles ensures that this will be another big winner for Torco."

In another exciting development, Torco RC Nitro has had a year of record sales. Utilizing its long history in the racing industry, Torco has developed the highest quality RC Fuel in the industry for cars, trucks, helicopters, airplanes and boats. "Torco RC Nitro is a great product that has really caught the imagination of racers everywhere" says Larry Manross, Sales Vice President.
