

1969 Cadillac Reproduction Tail Lamp Lens from OPGI

Original Parts Group Inc. continues to address the needs of classic Cadillac enthusiasts with the introduction of the industry's first reproductions.

seal beach, ca ([PRWEB](#)) January 07, 2015 -- Original Parts Group Inc. (OPGI) has released an authentic and exact reproduction of the original GM factory tail lamp lens that fits all of the 1969 Cadillac models except the Eldorado. Made of durable injection-molded plastic, the OPGI lenses are sold in pairs for \$139.99 as part # [CE11238](#). Each red plastic lens is injection-molded to factory specifications and features the OEM reflector as well as genuine "Guide" markings for a truly original appearance.

Celebrating over 32 years of manufacturing and retailing the highest quality restoration parts and accessories, OPGI is recognized as the nation's number one supplier and manufacturer of classic GM parts and is committed to maintaining that reputation and serving the needs of its customers for years to come. For more information, visit [OPGI.com](#) or call toll free: 1-800-243-8355.
