

Journalists Invited to Attend SAE International Government/Industry Meeting – Jan. 22-24

The SAE International Government/Industry Meeting organizes an ideal opportunity for you to connect with the leading technical authorities from government, industry, and academia to discuss the regulation, legislation, and technical issues impacting the future, including energy conservation, the environment, and safety.

Warrendale, PA ([PRWEB](#)) January 08, 2014 -- What:

The [SAE International Government/Industry Meeting](#) organizes an ideal opportunity for you to connect with the leading technical authorities from government, industry, and academia to discuss the regulation, legislation, and technical issues impacting the future, including energy conservation, the environment, and safety. It provides a professional, neutral forum where participants showcase achievements, share technological solutions, and discuss recent regulations and pending legislation.

The SAE International Government/Industry Meeting is co-located with The Washington Auto Show.

When:

January 22-24, 2014

Where:

Walter E. Washington Convention Center
Washington, DC, USA

For the ease of journalists wishing to cover both the 2014 SAE International Government/Industry Meeting and the Washington Auto Show, registration for the Washington Auto Show provides press access for both events.

To request media credentials, email [pr\(at\)sae\(dot\)org](mailto:pr(at)sae(dot)org) or call 1-724-772-8522.

[SAE International](#) is a global association committed to being the ultimate knowledge source for the engineering profession. By uniting over 138,000 engineers and technical experts, we drive knowledge and expertise across a broad spectrum of industries. We act on two priorities: encouraging a lifetime of learning for mobility engineering professionals and setting the standards for industry engineering. We strive for a better world through the work of our charitable arm, the SAE Foundation, including programs like A World in Motion® and the Collegiate Design Series™.
