Tallmadge, OH ([PRWEB](#)) August 09, 2016 -- Summit Racing now carries [UnderCover Nighthawk Light Brows for Jeep Wrangler JK](#). The Nighthawk Light Brow puts a finishing touch on a Jeep's front end and installs in about five minutes with no drilling required.

Made from high density, 100% recyclable ABS composite, the Nighthawk Light Brow comes unpainted or pre-painted in a choice of 11 factory Jeep colors. UnderCover even includes a replacement weather strip attached to retain the factory designed weather seal.

UnderCover is so serious about the quality of its paint jobs, it warrants that pre-painted Light Brows will not abnormally fade or peel, due to material or workmanship defect, faster than the vehicle's factory paint.

The Nighthawk Light Brow is covered by a limited lifetime warranty.
