

Manhattan Beer Distributors and Adopt A Highway Maintenance Corporation® Are Keeping New York's Highways Litter-Free

Manhattan Beer Distributors, in partnership with Sponsor A Highway®, is making a big difference in reducing litter along New York's highways!

NEW YORK ([PRWEB](#)) January 04, 2019 -- Adopt A Highway Maintenance Corporation® is proud to highlight Manhattan Beer Distributor's increased participation in the New York Sponsor A Highway® program. Manhattan Beer Distributors has been an instrumental part of New York's program since 2002. Most recently, Manhattan Beer Distributors has expanded their involvement in the program with the purchase of an additional sign. With their sponsorship, Adopt A Highway® will continue to keep New York's highways litter-free.

For 39 years Manhattan Beer Distributors has been committed to helping serve their customers in the best way possible by being the premier full-service beverage distributor in the Metro New York area. They distinguish themselves from the competition by promising to provide "best in class sales and service to every account, every day."

Manhattan Beer Distributors prides themselves on their sustainability efforts. They were the first company in the North East to convert part of their delivery truck fleet from diesel to compressed natural gas. Additionally, their headquarters runs almost entirely on solar panels, making them the largest, privately owned installation in New York City.

Manhattan Beer Distributors' commitment to their customers goes far beyond superior customer service and quality products. Devoted sponsors such as Manhattan Beer Distributors have allowed the New York Sponsor A Highway® Program to serve its local communities with litter removal along some of the state's busiest highways. Manhattan Beer Distributors' environmental contributions have helped promote necessary changes in their industry.

Adopt A Highway Maintenance Corporation® is proud to announce a continuously growing partnership with Manhattan Beer Distributors in a collective effort to help the environment. We are delighted to continue working together to benefit their customers and community and look forward to many years to come.
