PAOLI, Pa. (May 7th, 2019) – With the reintroduction of Ford Motor Company’s mid-sized Ranger pickup truck to US markets, AmericanTrucks (AT) is proud to announce the arrival of 2019 Ranger parts to their site and catalog!

You may have seen [Justin Dugan’s Ranger Review and Dyno Video](#) published back in February, foreshadowing the addition of parts to AT’s website. As of May 2019, Ranger parts are officially available for purchase—from [bed covers](#) to [wheels & tires](#).

More brands and products will be added as the website gets continual updates so be sure to check back occasionally to see the latest and greatest offerings for 2019+ Ford Ranger pickups.

“Here at AmericanTrucks we’re going to bring the best product offerings and platform support to the aftermarket by utilizing the same great recipe that has made AT’s F-150 site one of the hottest in the truck parts biz.” –Justin Dugan
