LAS VEGAS, Nv. (November 14th, 2019) – In this episode of [AmericanTrucks' 'The Haul'](#) YouTube series, Justin Dugan visits SEMA 2019, taking in the sights and sounds, to select his top 3 Ford trucks in attendance. Trucks dominated the show grounds at SEMA 2019 making Justin's duties tougher than years' past.

Justin's top 3 Ford trucks include: the 2019 Galpin Raptor S with Rolls Royce-inspired [interior](#) as #3; the 2019 DRAGG XLT 5.0L which supports programs to keep kids off the streets and away from bad influences as #2; and Kibbeteck's 1992 F-350 pre-runner-inspired OBS as his #1 top pick.

Additionally, in this episode: Justin visits RTR's booth for a first-hand look at their F-150 and Ranger [RTR](#); Ford's SEMA booth to check out Jay Leno's 1968 Bronco reveal and new F-250 Tremor; and Factory Five Racing's drift-inspired 1935 Hot Rod Truck.

"My top three picks from this year's show really were all over the place. From a Rolls Royce inspired Ford Raptor, to a Police Pursuit F-150 built by the DRAGG program, and finally a purpose built OBS F-350- there really was something for everyone. I think this really represents what the SEMA show is all about!"—Justin Dugan
