PAOLI, Pa. (January 22nd, 2020) – Aftermarket truck parts provider AmericanTrucks.com (AT) is proud to announce the continuation of their Positive Payload (PP) Program by awarding another non-profit charity organization \$2,000 in 2020. Each year for the past three, the initiative seeks to support organizations whose missions' benefit local communities through the leveraging of tradespeople, and pickup trucks.

Launched in May 2017, the program has awarded \$30,000 worth of assistance in its efforts, with previous recipients including the Appalachia Service Project and Operation Tiny Home. After reviewing the submissions for this round, AmericanTrucks is announcing its 2020 PP Winner: 1Mission.

1Mission is a community development organization, headquartered in Phoenix, AZ, giving people in poverty the opportunity to earn housing by serving their community. With AT's PP grant, 100% of these funds will go toward projects and programs for building homes and fighting poverty worldwide.

The AT team extends a sincere congratulations to 1Mission and all PP grant recipients since its inception as it looks forward to awarding another organization in 2021.
