

## **Lazydays Now Proudly Offering RV Armor**

*Exclusive Florida dealer provides premium roof membrane that protects RVs*

Tampa, Florida ([PRWEB](#)) November 24, 2015 -- [Lazydays](#), the RV Authority and world's largest RV dealership, is proudly entering into a partnership with [RV Armor Inc.](#), a leading maker of systems to protect the roof of RVs from tears and punctures. Lazydays is the first major RV dealer to partner with RV Armor at a dealer-wide level.

“RV Armor offers a better product that fits right in with the needs of our customers – protecting their investment from the top down,” said Lazydays General Manager Ron Fleming. “We’re thrilled to add RV Armor to the lineup of products and services we provide.”

RV Armor is a premium roof membrane system that retains flexibility and is guaranteed to be leak and maintenance free for the life of an RV. The armor is a high-performance polymer that technicians apply as a liquid, which then cures within four hours into a seamless, watertight, puncture and UV-resistant membrane.

“We are proud to now be partnered with Lazydays as our first dealer,” said Lee Thaxton, President of RV Armor, Inc. “Lazydays is as committed to excellence as we are and I know first-hand, how well they treat and take care of people. I am confident that any RVer out there who knows all of the challenges that comes with an RV roof will be in excellent hands at Lazydays.”

Lazydays will add the RV Armor product first in Tampa, where the dealership has more than 230 service bays and the largest RV service center in the nation, providing specialty shops for body and collision, chassis, woodworking and glass/windshield repairs and upgrades on site.
