

Inaugural AutoTech Breakthrough Awards Program Recognizes Technology Innovation within the Transportation Industry Worldwide

Annual Awards Program Recognizes Innovation in Automotive and Transportation Technologies Around the Globe

LOS ANGELES ([PRWEB](#)) November 17, 2020 -- [AutoTech Breakthrough](#), a leading market intelligence organization that recognizes the top companies, technologies and products in the field of transportation and automotive technology, today announced the winners of the organization's inaugural awards program, showcasing technologies and companies that drive innovation and exemplify the best in transportation solutions across the globe.

The mission of the AutoTech Breakthrough Awards is to honor excellence and recognize the innovation, hard work and success in a range of transportation technology categories, including Connected Car, Electric Vehicles, Engine Tech, Automotive CyberSecurity, Sensor Technology, Traffic Tech, Vehicle Telematics and more. This year's inaugural program attracted more than 1,250 nominations from over 12 different countries throughout the world

“The quest to build mobility systems of the future presents a myriad of complexities and the AutoTech Breakthrough Awards program aims to recognize ‘breakthrough’ transportation models and technologies that are addressing these complexities head-on, laying the foundation for more integrated and seamless mobility around the world,” said Bryan Vaughn, managing director at AutoTech Breakthrough. “Our 2020 AutoTech Breakthrough Award winners circles provides a glimpse into where mobility is headed and we extend our sincere congratulations to all of the exceptional honorees as they pave the road for the future of the Transportation industry.”

All AutoTech Breakthrough Award nominations were evaluated by an independent panel of experts within the larger technology industry, with the winning products and companies selected based on a variety of criteria, including most innovative and technologically advanced products and services.

The 2020 AutoTech Breakthrough Award winners include:

Industry Leadership

Auto Repair Solution of the Year: ForeverCar

Overall AutoTech Solution of the Year: DTS® AutoSense™ Occupant Monitoring Solution (XPERI)

Overall AutoTech Company of the Year: REE Automotive

Connected Car

Advanced Driver-assistance System of the Year: Qualcomm Technologies, Inc. – Qualcomm® Snapdragon Ride™

Automotive Infotainment Solution of the Year: Cypress Semiconductor Corp., An Infineon Technologies Company

Autonomous Driving Solution of the Year: Helm.ai
Overall Connected Car of the Year: Comodif
Data Management Platform of the Year: Sibros

Electric Vehicles

Hybrid Technology Solution of the Year: 2021 Jeep Wrangler 4XE
Auto Battery Technology Innovation of the Year: General Motors
Overall Electric Vehicle of the Year: Lucid Motors

Automotive CyberSecurity

Automotive Cybersecurity Innovation of the Year: C2A Security
Automotive Cybersecurity Company of the Year: AUTOCRYPT

Navigation and Mapping

Navigation Technology Solution of the Year: Swift Navigation

Car Sharing and Ride Hailing

Car Sharing Service of the Year: GIG Car Share

Vehicle-to-Vehicle and Vehicle-to-Infrastructure

Vehicle-to-Vehicle (V2V) Solution of the Year: HAAS Alert
