

Steele Honda reduces staff hours during the COVID-19 outbreak

Customers can still get Honda service done at Steele Honda in St. John's

ST. JOHN'S, Newfoundland and Labrador ([PRWEB](#)) April 13, 2020 -- Steele Honda, a local Honda dealership in St. John's, has updated its customers with reduced hours during the COVID-19 outbreak. To reduce contact, the dealership has closed its showroom and reduced the hours and staff on hand for its service and parts departments. Customers are told that they can still come in to get service for their Honda vehicles.

While the showroom at Steele Honda is currently closed, as noted in the dealership's own [COVID-19 news and updates page](#), the staff at Steele Honda will continue to work with customers at a distance. Customers are encouraged to communicate with the dealership by any preferred method of communications including phone, text message, website messaging or instant messaging. Customers can call the dealership at 709-579-1999. For text messages, customers should use the dealership's other line, 709-700-3438. To send a message online, customers can use the dealership's website, [steelehonda.com](#). The digital sales department operates from 9:00 AM to 5:00 PM Monday through Friday.

The service and parts department at Steele Honda continues to operate from 7:30 AM to 5:00 PM Monday through Friday. The dealership is closed on Saturday and Sunday during this time. To reduce customer and staff contact, the dealership asks that customers drop off their vehicle and leave their keys in the key drop off. Otherwise, customers can contact the dealership for alternative methods to get their vehicle fixed.

Steele Honda also offers [an online form for scheduling a vehicle service appointment](#), which customers can access on the dealership's website.
