

## **Virginia Used Car Dealership Selling Used Vehicles with Warranties for Under \$15,000**

*CrossPointe Motor Cars has affordable used vehicles with lifetime warranties in stock*

WINCHESTER, Va. ([PRWEB](#)) November 23, 2020 -- For many prospective buyers, spending tens of thousands of dollars on a new vehicle isn't desirable. For some, it's not possible at all. CrossPointe Motor Cars—a used car dealership serving Winchester, Virginia—has multiple vehicles in its inventory for those that want to save money. From certified pre-owned Honda models to cheap used models, CrossPointe Motor Cars has something for everyone.

For those on a budget, the [sub-\\$15,000 category](#) of the CrossPointe Motor Cars inventory is a good place to start. With cars from the early 2000s starting as low as \$2,500 and some as new as 2017 listed under \$15,000, there something that fits into everyone's budget. The CrossPointe Motor Cars website gives customers even more control by allowing users to enter their desired prices. Once a minimum and maximum price have been entered, the CrossPointe Motor Cars site will show the user all inventory that falls between those two prices.

Many prospective buyers like to shop certified pre-owned. Certified pre-owned vehicles give buyers the best of both worlds, with lower prices than new vehicles and manufacturer warranties. CrossPointe Motor Cars has many [Honda certified pre-owned vehicles](#) in its inventory for those interested. Those looking for a warranty on a used vehicle are in for a treat. CrossPointe Motor Cars offers [a free pro-certified lifetime powertrain warranty](#) on many of their vehicles. It covers the vehicle for as long as the customer owns it, whether that's for a couple of years or over a decade.

Interested parties can get more information by calling the CrossPointe Motor Cars dealership at 855-466-4836 or by visiting [crosspointemotorcars.com](#). The dealership is located on 3951 Valley Pike, Winchester.
