

## Website relaunched for Ryan Dalziel

*MSO.net is pleased to announce the relaunch of Ryan Dalziel's website, [www.ryandalziel.com](http://www.ryandalziel.com) the Toyota Atlantic Championship driver and racing for Sierra Sierra Enterprises.*

([PRWEB](#)) May 20, 2004 -- Designed and developed by MSO.net, the website boasts an innovative design concept whilst delivering all the information required by fans following Ryan's illustrious career to date.

MSO.net has developed a bespoke Content Management System (CMS) which includes all the functions required to add/edit pages thus ensuring that the site is always up to date. Site images are uploaded and organised within the Digital Asset Manager whilst the Image Manager catalogues every photograph within the gallery section. Press and fans can opt to receive a newsletter once registered using a designated email address.
