

Nissan of Victoria Celebrates St. Patrick's Day All Month with Additional Savings on Services

Drivers in the Victoria area can save this month on vehicle maintenance services

VICTORIA, Texas ([PRWEB](#)) March 23, 2021 -- Individuals living in the Victoria area can save big this March. Nissan of Victoria is celebrating St. Patrick's Day all month with savings on a variety of vehicle services. Interested parties are encouraged to take advantage of these additional savings.

Car owners can receive a brake system flush for \$129.95. Vehicle brakes are an important safety element in every car. Flushing the brake system removes moisture and harmful particles. By doing this the brake system components will have an extended life. This service includes replacing the old fluid with brake fluid that exceeds federal brake fluid specifications, cleans out brake dust build-up and stops squeaks and brake pad noise.

After such a harsh winter many individuals may be interested in a battery service. For \$39.95 the car battery will be cleaned of all corrosion. The Petra battery cleaner will be applied to the terminals and the battery hold-down. Preventative pads will be placed on terminals to protect from future corrosion.

Individuals that have noticed issues with power steering may benefit from a power steering service. The \$129.95 service includes a power steering flush that will clean the system and replace the current fluid. This service protects against wear, oxidation and corrosion, helps to restore smooth steering control and conditions the seals and hoses.

A fuel system service is available for \$199.95. This service is designed to restore a vehicle's performance. The vehicle's injectors, valve, combustion chambers and throttle body will be cleaned. This service should assist in eliminating a rough idle and decrease emissions and hesitation problems.

These deals are only good now through March 31. Shop fees, environmental fees, core charges, taxes and other federal, state or locally mandated fees are in addition to these offers. The discount is applied before the fees/taxes are calculated. There is a limit of one discount per transaction. The coupon must be presented to the service advisor upon arrival at the dealership. These offers are not applicable to all vehicles or circumstances.
