

## **Darby Auto Center is one of the Few Dealers Selling Used Cars Safely During the COVID-19 Crisis**

*Contact-Less Used Car Buying and Delivery in Full Compliance with Government COVID-19 Social Distancing and Sanitizing Regulations*

DARBY, Pa. ([PRWEB](#)) April 16, 2020 -- In times of crisis and anxiety, few things are as important as owning a reliable car or truck. For anyone in immediate need of a vehicle, Darby Auto Center is open normal hours and provides contact-less auto buying that is safer from COVID-19. The process of selling cars and approving financing now takes place online or by telephone. Delivery of the vehicle is made in full compliance with CDC and Pennsylvania state guidelines. Once a purchase is completed, the sanitized and disinfected vehicle is delivered by tow truck direct to the purchaser's home. This avoids any contact between dealer personnel and customers.

The car delivery team at Darby Auto Center will thoroughly disinfect and sanitize all used cars and trucks for contact-less delivery during the coronavirus crisis. Delivery by tow truck to the customer's house provides added peace of mind to anyone urgently needing to purchase a used car or truck at this time. Also, customer can browse Darby Auto Center's selection online in its virtual showroom. For anyone looking for a used vehicle not currently in inventory, Darby staff will work to locate it and bring it into inventory if possible. This allows car buying to proceed during these extraordinary times for anyone urgently needing a vehicle.
