

Stuf Surface Care Show & Shine Signs on for 2005 PRO/NMCA Series

Stuf Surface Care is pleased to announce that it will be the title sponsor for the 2005 season of the PRO/NMCA Muscle Car Nationals Show & Shine Car Show.

Pasadena, CA ([PRWEB](#)) January 23, 2005 -- Stuf Surface Care is pleased to announce that it will be the title sponsor for the 2005 season of the PRO/NMCA Muscle Car Nationals Show & Shine Car Show.

The PRO/NMCA hosts an auto show and shine competition as a large part of each event, attracting thousands of competitors each year. The Stuf Surface Care Show and Shine car show will be presented on Saturday and Sunday at each PRO/NMCA series event. And each PRO/NMCA event will be covered on ESPN2, and in the pages of Fastest Street Car, Popular Hot Rodding, and Car Craft magazines. This fifth season of the series promises to be bigger and better than ever

There'll be over fifty awards given each day of the show including the six-foot "Best of Show" trophy. Several new classes and awards have been added for 2005, covering everything from original restored classics, to restomod muscle cars, to power-packed late-models, to anything in between.

"The NMCA series is a perfect fit for Stuf Surface Care Products. We share a uniqueness in how we approach what we do, and a love for cars and drag racing," said Stuf president Dean Fueroghne.

Made by fanatics, for fanatics, the Stuf product line is produced in limited quantities. The Stuf line includes: Shine Stuf- 100% Carnauba wax, Polish Stuf- pure polishing compound with no wax or silicone, Clean Stuf- wash concentrate, Dressing Stuf- rubber/vinyl dressing, Clay Stuf- clay bar, and Final Stuf- spray detailer. And every item is personally signed and dated because they're proud of what they make. Besides, it's kinda cool. Stuf is sold through Stuf's web site (www.stufproducts.com) and select specialty shops.
