([PRWEB](#)) January 28, 2005 -- After completing studies Lalit Ahuja started "Hydraulics & Pneumatics" (H&P) in 1993, under the able guidance of his father Mr.V.K.Ahuja who is an Engineer from BITS, one could not find even a simple O-Ring for the Hydraulics & Pneumatics Industry in the whole state. Since then they have introduced automation in 100's of small and medium scale industries in Rajasthan.

They are now an "A-Z Under One Roof" store for all kinds of automation related spares and provide complete automation solutions for every industry. Being the Biggest Industrial Store in Rajasthan spread over 14000 sq.ft. of built up space they carry an inventory of more than 20,000 types of Best Quality Components. Their brands "TUFIT" and "hp" are well known in the industry for their superior quality and reliability.

Their customers include MICO, NBC, Eicher, Ericsson, Samcor, Chambal Fertiliser, RSEB, Railways, IOCL, BPCL, HPCL, ONGC, BARC, HMT, Escorts, R.K.Marbles, Shree Cement, Binani Cement and 100's of other Small & Medium Scale Industries.

A dedicated team of professionals includes Engineers, MBA's, ITI's and other highly committed and trained staff, who provides excellent Sales & After Sales Services. Customer Delight is their Motto.

Lalit Ahuja is a Governing Board Member of CDOS (Center for Development of Stones) - which is the apex stone industry association in India set up in 1998 as a non-profit making initiative of the State Government of Rajasthan and RIICO, with the assistance of the private sector. H&P provides automation solutions to the Stone Industry in Raj.

H&P is also life members of the Plastic Manufacturer Association of Rajasthan, Jaipur Industrial Estate Association and several other trade associations.

H&P has been participating in Stonemart at Jaipur since its inception. In this 3rd Stonemart H&P is displaying - 6 Seater Battery Operated Electric Vehicle which a boon to the Large Industries, Hotels & Stockyards where a In Plant Movement Vehicle is needed which is pollution free, versatile, noise less, maintenance free, cost effective and very easy to use.

This Vehicle will be used to transport all the VIP's during Stonemart-2005 at Sitapura Jaipur, Rajasthan, India from 28th Jan -1st Feb'05. Govt. Of Rajasthan, Finance Department & Tax Division - Notification Dtd. July 12th, 2004 exempts from tax the sale or the purchase of such exclusively battery operated motor vehicles. After this notification was released this will be the 1st time such a vehicle will be presented before the Govt. of Rajasthan.

Also on display at stall no. 10 in Hall A is a revolutionary concept in Hydraulic Oil Cleaning. The equipment is

called Electrostatic Oil Cleaner and guarantees Oil filtration upto 0.1 Microns and a trouble free Oil Life of 15 Years!

Other things on display are Hydraulic Pallet Truck (2.5 tonnes), Hydraulic Jack for Marble Mines, Industrial Duty Heavy Vacuum Cleaner, Electronic Automation Panel, Automatic Panel for Marble & Granite Polishing Machine, Hydraulic Hoses, Fittings, FRL's, Cylinders, Pumps, Direction/Pressure/Flow Control Valves, Pressure & Temperature Gauges, Filters, Torque Wrenches, Transducers, Limit Switches, Pneumatic Tools, Hydraulic Puller & Filter Presses for Marble Gang saw etc.

Entrepreneurs like Lalit are determined to make Rajasthan one of the fastest growing states in the country, and we wish them all the luck.
