

Truck Seat Distributor Suburban Auto Seats Announces The Release of the Next Generation Bostrom Seats

The truck distributor, Suburban Auto Seats, is pleased to announce the release of the new Bostrom Next Generation Truck Seat. The newly engineered WideRide XC, Freedom XC and Libert XC, are "state of the art seating for today"s professional truck driver.

([PRWEB](#)) March 4, 2005 -- Suburban Auto Seats is the largest world wide distributor of Bostrom Seats. The new Wide Ride XC, offers today"s professional driver more luxury features as standard than any other seat. Longer fold away armrests, redesigned foam cushions using high density closed cell foam which is made for higher durability, and 9 ½" fore and aft seat adjustment with independent lockable fore and aft isolators, are but a few of the new features that are standard on the new Bostrom Next Generation truck seats.

As Bostrom"s largest world wide distributor, Suburban Auto Seats has over 55 years of experience in the truck seating industry. Upholding only the highest standards, they are proud to announce this new release of truck seats. Catering to domestic and international companies and individuals, Robert Winfield, president of Suburban Auto Seats has recently been quoted in Bus Ride Magazine as one of the top authorities on truck and bus seats. You can see the article at: www.busrider.com/2004/08/Seating_still_an_important_choice.asp.

Also a large distributor for National, Sears, Isrihausen, and Freedman seats, Suburban"s warehouse in New Jersey is also stocked with other essential trucking apparatus.
