

World Patent Marketing Invention Team Announces A New Auto Tools Invention That Will Help Changing Oil Filters, The Pro Filter Insert

World Patent Marketing Reviews A New Auto Tools Invention. Will The Pro Filter Insert Be The Next World Patent Marketing Low Cost Success Story?

Miami, FL ([PRWEB](#)) August 19, 2016 -- World Patent Marketing, a vertically integrated manufacturer and engineer of patented products, introduces The Pro Filter Insert, an auto tool invention that adjusts the size of oil wrenches.

“The mobile accessories industry is worth \$81 billion,” says Scott Cooper, CEO and Creative Director of World Patent Marketing. “In recent years, people have been keeping their cars longer and longer, meaning they need more repairs. This industry has thrived in this type of environment.”

“The oil filter is a very important part of the car but they come in many different sizes,” says Jerry Shapiro, Director of Manufacturing and World Patent Marketing. “This auto tools invention will allow people to customize the size of their wrench to allow its use on multiple filters.”

The Pro Filter Insert is an auto tool invention that will people car owners take care of their oil filters. As a car starts to age, it starts needing repairs, so tools like this become more and more important. This invention adjusts the filter wrench size so it can accommodate multiple types of oil filters. This means that only one device need be used for multiple cars, rather than buying a separate wrench for each one. This is especially useful for people who work on cars or own multiple cars as they will be dealing with many oil filter sizes.

“It improves adjustability for one size filter wrench to accommodate small filters as well as large filters. It will be able to be adjusted to fit small filters using an insert,” says inventor Derick W.

The Pro Filter Insert is an auto tool invention that allows users to adjust a filter wrench to conform to filters of multiple sizes.
