(PRWEB) December 3, 2005 -- New Car Hire company ambassadorcarhire.com launches online booking facility, which guarantees the lowest all-inclusive Car Hire rates available Worldwide. Our aim is to take on the big players in the market and become the No. 1 Online Car Hire Company around.

The key to our strategy is to reward our customers by making a donation to a Charity of their choice. As we are offering the LOWEST rates possible, satisfied customers continuously recommend us to all their friends and family. We feel that this loyalty should be rewarded.

Ambassador Car Hire has sourced the best fully inclusive rental rates from the worlds top 100 approved car rental companies both local and international. We shop around for the best rates.

That is why we offer this simple and straight-forward price promise to all our website customers:

"If you have a confirmed reservation made via this website and you find a cheaper rate on the Internet for the same type of vehicle, from the same location and with the same conditions; we will refund you the difference between the two rates and give you 10% discount off your next Ambassador Car Hire reservation."

It is our hope that the corporate world will get behind us and have their staff get together and nominate a single company sponsored charity, where all bookings made by staff can benefit local charities.
