

The New 2022 Nissan Armada Is Now Available at Glendale Nissan

Prospective buyers in the Illinois area can buy the new 2022 Nissan Armada at Glendale Nissan

GLENDALE HEIGHTS, Ill. ([PRWEB](#)) September 22, 2021 -- The 2022 Nissan Armada is the Nissan brand's offering in the large SUV segment. It combines a powerful engine with superior towing capacity along with advanced technology and safety features. This rugged SUV has a starting MSRP of \$48,900 and is available at Glendale Nissan in Glendale Heights, Illinois. It is available in four trim levels: S, SV, SL, and Platinum.

The 2022 Nissan Armada is equipped with a 5.6-liter Endurance® V8 engine that has an output of 400 hp and a torque rating of 413 lb.-ft. This engine is combined with an advanced seven-speed automatic transmission that enhances fuel efficiency. It has a towing capacity of 8,500 lbs.

It achieves a fuel economy of 14 mpg in the city, 19 mpg on the highway and 16 mpg combined on its two-wheel drive models. With the four-wheel drive models, it delivers 13 mpg in the city, 18 mpg on the highway and 15 mpg combined.

With respect to technology, the 2022 Nissan Armada comes with a 12.3-inch color touchscreen display with wireless Apple CarPlay® integration and wired Android Auto™ compatibility. It also features NissanConnect® with Wi-Fi Hotspot, a SiriusXM® Radio, Bose® audio system and Remote Engine Start System.

The 2022 Nissan Armada has the Nissan Safety Shield® 360 that features the Intelligent Lane Intervention, Intelligent Blind Spot Intervention and Intelligent Forward Collision Warning. Driver Assistance technologies such as Intelligent Around View® Monitor and Intelligent Rear View Mirror are also available.

Prospective buyers can view the Glendale Nissan inventory by visiting their website at <https://www.glendalenissan.com/>. The dealership is located at 484 E North Ave., Glendale Heights, IL 60139, United States.
