*Nissan Now Sales Event Continues At Glendale Nissan*

GLENDALE HEIGHTS, Ill., March 23, 2018 /PRNewswire-iReach/ -- Now that it is officially spring, many drivers want to get out and ride around town enjoying the warmer weather. However, sometimes the winter months can take a toll on vehicles. That's why now is the perfect time to buy a new Nissan vehicle, as Glendale Nissan, a dealership in Glendale Heights, Illinois, is still hosting the Nissan Now Sales Event through April 2, 2018.

There are plenty of new 2017 and 2018 model year Nissan vehicles available during the sales event with finance, lease and cash back offers. In fact, popular sedans such as the 2018 Nissan Sentra and 2018 Nissan Altima being available for 0 percent APR financing for 36 months with cash back incentives for qualified buyers. The 2018 Nissan Rogue, the most popular Nissan vehicle, is also available for as little as 0.9 percent APR financing for 60 months.

Since so many Nissan vehicles are available for great deals during the Nissan Now Sales Event, it can be difficult to decide which models would be the best fit. Glendale Nissan makes it easy for customers to do research, as the dealership offers overviews of the newest Nissan models, as well as comparisons of Nissan against its competitors.

Glendale Nissan is a full-service dealership that specializes in new Nissan vehicles and a wide variety of pre-owned models from various automakers.
