

Glendale Nissan says farewell to 2017 with 0 percent financing on new 2017 models

Glendale Nissan says farewell to 2017 with 0 percent financing on new 2017 models

GLENDALE HEIGHTS, Ill., Jan. 12, 2018 /PRNewswire-iReach/ -- While the New Year's celebrations have already died down, 2017 is gone but not forgotten. At least not at one local dealership. Glendale Nissan, located at 484 E. North Ave. in Glendale Heights, still has more than 100 vehicles from the 2017 Nissan model year found within its inventory. Looking to ease up space in its showroom, the dealership is offering impressive financing rates and deep price cuts on select vehicles.

For those looking to purchase a new Nissan model, now might be the best time to consider outgoing vehicles. With new 2018 options replacing the 2017 model year vehicles, Glendale Nissan is not only offering up to 30 percent off the manufacturer suggested retail price of popular options like the [2017 Nissan Rogue](#), but highly qualified shoppers are also eligible for financing rates as low as 0 percent APR for up to 72 months. This low financing rate can also be paired with a no money down offer that is continuing to run at the dealership.

Glendale Nissan is a full-service dealership that specializes in new Nissan models and pre-owned vehicles from a variety of automakers. Financing rates are subject to credit approval and current incentives run through Jan. 31, 2018. More information on pricing and available inventory can be found at the dealership website, [GlendaleNissan.com](#). Direct inquiries regarding incentives and options can be addressed to dealership staff members by calling 630-469-6100.
