

## **Start your Black Friday shopping early at Glendale Nissan**

*Glendale Heights-area Nissan dealership hosts Black Friday savings event*

GLENDALE HEIGHTS, Ill. ([PRWEB](#)) November 11, 2018 -- As Halloween comes and goes, plenty of people are continuing to prepare for the thick of the holiday season. As friends and families gather together for Thanksgiving dinner, many minds are already set on Black Friday, the start of the shopping season. However, Black Friday deals aren't just restricted to electronics or other small conveniences, as Glendale Nissan, a new and used Nissan dealership serving the Glendale Heights area, is hosting their Bring it Back to Black Friday savings event.

Throughout November, Glendale Nissan is offering plenty of great deals for drivers to get their hands on. For example, drivers can lease popular sedan models such as the 2019 Nissan Sentra S model for just \$125 per month for 36 months, with just \$3,995 due at signing. Popular SUV models such as the 2018 Nissan Murano S all-wheel drive model, along with the 2018 Nissan Pathfinder S model can both be leased for just \$250 per month for 36 months, with \$3,995 due at signing. Those not interested in leasing a vehicle can also receive up to \$7,500 Nissan Customer Cash on all new Nissan models in stock.

There are many benefits to leasing a car compared to buying. In fact, leasing makes it more affordable for drivers when it comes to driving and maintaining a car. Since drivers don't keep the vehicle for the long run, people get to try out and drive a new car every few years.

Glendale Nissan is a full-service dealership serving the Glendale Heights area that specializes in new Nissan vehicles, as well as provides a wide assortment of pre-owned models from a variety of different manufacturers. Those interested in shopping for a new Nissan during the Bring it Back to Black Friday savings event can contact the dealership at [www.glendalenissan.com](http://www.glendalenissan.com). Car shoppers can also contact a staff member directly by calling 630-469-6100.
