

ToyotaCare No Cost Maintenance Available at Downeast Toyota

Downeast Toyota features ToyotaCare no cost maintenance plan and roadside assistance

BREWER, Maine ([PRWEB](#)) August 12, 2021 -- Maintenance is an important part of purchasing and owning a vehicle and Downeast Toyota makes it simple with the [ToyotaCare maintenance plan](#). ToyotaCare is a no cost maintenance plan that is standard for select, brand-new Toyota cars, trucks and SUVs and will protect the vehicle for two years or 25,000 miles. ToyotaCare Plus will take that level of protection to the next level.

ToyotaCare will cover normal scheduled service for two years or 25,000 miles – whichever milestone is reached first. ToyotaCare is standard with all new Toyota models and will include – oil and filter changes, tire rotations, multi-point inspections, repairs with genuine Toyota parts and more. The no cost maintenance plan is accompanied by 24-hour Roadside Assistance for two years with unlimited mileage that will help Toyota drivers with jump starts, lockout protection, fuel delivery, towing and tire changes.

Toyota owners who want more protection can opt for ToyotaCare Plus. ToyotaCare Plus provides four years or 45,000 miles of protection for Toyota vehicles with less than 31,000 miles on the odometer and within 37 months of first use. Vehicles that do not qualify may still be eligible for Toyota Service Care. ToyotaCare Plus will cover factory recommended maintenance – engine and oil filter changes, cabin and air filter changes, tire rotations, inspections, Toyota parts and more – provided by Toyota-certified technicians. Roadside Assistance for four years and unlimited mileage is included with ToyotaCare Plus.
