College graduates save at Downeast Toyota with Toyota College Grad Rebate

BREWER, Maine, Jan. 17, 2018 /PRNewswire-iReach/ -- Recent college graduates in the Bangor area who are in search of a new career may find themselves in need of a new car, truck or crossover and can save on a brand-new Toyota at Downeast Toyota with the [Toyota College Grad Rebate](#). An element of the Toyota Financial Services College Graduate Finance Program, the rebate rewards college students for hard work with up to \$1,250 off select Toyota models.

To qualify for the Toyota College Graduate Rebate, individuals must be able to provide proof of graduation in the last two years or in the next six months, must be employed or have proof of an accepted job offer and must have the financial stability to afford a new vehicle. This Toyota-brand incentive can be applied to graduates of two-year colleges, four-year colleges and vocational schools. Many college graduates possess student loan payments and this rebate provides some relief from that financial burden.

Car shoppers who qualify for the Toyota College Graduate Rebate and Finance Program will be eligible for low Annual Percentage Rates (APR) on brand-new Toyota models and Toyota Certified Pre-Owned vehicles. Individuals who qualify will be eligible for no monthly payments for the first 90 days with select finance agreements. A \$750 rebate is available toward Toyota Camry, Camry Hybrid, Tacoma, Prius v, Yaris and Yaris iA models. New Toyota Corolla, Corolla iM, Prius c, RAV4, RAV4 Hybrid, C-HR and Prius Prime models qualify for a \$1,250 rebate.

Bangor-area college graduates can learn more about the Toyota College Grad Rebate at Downeast Toyota on the dealership website, www.downeasttoyota.com. For more details, interested individuals can contact a dealership representative directly by calling 207-989-6400.
