## TNT Super Series Kicks Off Fifth Season This Weekend

*Kevin Orr Mechanical presents series opener at DTRP!*

**CANFIELD, ONTARIO (May 1, 2011)** The Joe's Transmission TNT Super Series (TNTSS) will begin its fifth season this Friday May 6th at Dunn Tire Raceway Park in Lancaster, New York.

What's become one of the most competitive sportsman drag racing series in the northeast, the TNTSS is expecting to see record car counts in 2011.

**MECHANICAL**

Presented by Kevin Orr Mechanical, the season opener begins a twelve race battle for the highly coveted TNTSS championship title - a battle that will continue into September when a new champion is crowned.

Season five brings with it the mainstays that the TNTSS is known for - guaranteed payouts (increased to \$600/win MINIMUM this year), round money,

specialty awards and lucrative yearend payouts. And new for 2011, every event is an opportunity to earn a spot in the Trailer Shop/ERD TNTSS Race Of Champions.

Last year's event one winner, Mark Herbold of Elma NY, will return in his 1994 Chevrolet Corvette to defend his title - while 40 other drivers have other plans.

"Kevin and Laurie Orr are strong supporters of the series," said Ted Barnes, TNTSS Director of Operations. "They race with us all season long. We're just so pleased to have people like the Orr's involved with what we do."

"We support the TNTSS, because it is geared towards the working man," said Kevin. "It's scheduled in such a way to allow a full points series, with good payouts, stout competition and comraderie, and a great year-end awards banquet, all without tying up the whole summer chasing points. In our small way, we hope to help promote the series and attract more competitors."

Racer gates open at 3pm with the first of two qualifying sessions at 5pm and eliminations to follow. ### **About Kevin Orr Mechanical**

Established in 1994, Kevin Orr Mechanical is a Heating, Ventilation, Air Conditioning company providing service to commercial / industrial customers in and around the Greater Toronto Area. Contact them at (519) 941-2347 for all your HVAC needs.

### **About the Joe's Transmission TNT Super Series (TNTSS):**

Since it began in 2006, the TNT Super Series has grown into one of the strongest, most competitive sportsman drag racing series in North America and has catapulted many competitors to success on the national and divisional stage.

The TNTSS is a self-governing organization with input from its teams. Based on NHRA's Super Street & IHRA's Hot Rod classes, competitors run on a 10.90 index in the 1/4 mile (7.00 in the 1/8 mile) and race for a guaranteed purse that pays back more than 100% of the racer's entry fees. The yearend Series Champion receives a prize package worth over \$3500.00.

The TNTSS is committed to providing the highest level of competition backed by solid media support to showcase its participants across North America. Events are contested at various drag racing facilities in southern Ontario and western New York and put on a spectacular show for the drag racing fan.
